Lamb Vaccine Selenised Formulation

| Version | Revision Date: | SDS Number: | Date of last issue: 04/06/2024 |
|---------|----------------|----------------|---------------------------------|
| 2.1 | 09/28/2024 | 11234644-00006 | Date of first issue: 06/14/2023 |

SECTION 1. IDENTIFICATION

| Product name | : | Lamb Vaccine Selenised Formulation |
|-------------------------------|---|------------------------------------|
| Other means of identification | : | Lamb Vaccine Selenised (A001011) |

Manufacturer or supplier's details

| Company name of supplier | : | Merck & Co., Inc |
|--------------------------|---|---------------------------------|
| Address | : | 126 E. Lincoln Avenue |
| | | Rahway, New Jersey U.S.A. 07065 |
| Telephone | : | 908-740-4000 |
| Emergency telephone | : | 1-908-423-6000 |
| E-mail address | : | EHSDATASTEWARD@merck.com |
| | - | |

Recommended use of the chemical and restrictions on use

| Recommended use | : | Veterinary product |
|---------------------|---|--------------------|
| Restrictions on use | : | Not applicable |

SECTION 2. HAZARDS IDENTIFICATION

GHS classification in accordance with the OSHA Hazard Communication Standard (29 CFR 1910.1200)

Not a hazardous substance or mixture.

GHS label elements

No hazard pictogram, no signal word, no hazard statement(s), no precautionary statement(s) required.

Other hazards

None known.

SECTION 3. COMPOSITION/INFORMATION ON INGREDIENTS

Substance / Mixture : Mixture

Components

| Chemical name | CAS-No. | Concentration (% w/w) |
|--|--------------|-----------------------|
| Antigen | Not Assigned | 4.037 |
| Aluminium potassium sulfate dodec- ahydrate | 7784-24-9 | 2.569 |
| Sodium selenate | 13410-01-0 | 0.24 |

SECTION 4. FIRST AID MEASURES

| General advice | : | In the case of accident or if you feel unwell, seek medical advice immediately. When symptoms persist or in all cases of doubt seek medical advice. |
|-------------------------|---|--|
| If inhaled | : | If inhaled, remove to fresh air. Get medical attention if symptoms occur. |
| In case of skin contact | : | Wash with water and soap as a precaution. Get medical attention if symptoms occur. |

according to the OSHA Hazard Communication Standard

Lamb Vaccine Selenised Formulation

| Version 2.1 | Revision Date: 09/28/2024 | SDS Number: 11234644-00006 | Date of last issue: 04/06/2024 Date of first issue: 06/14/2023 | | | | |
|---|------------------------------|-------------------------------|---|--|--|--|--|
| In case of eye contact | | | : Flush eyes with water as a precaution. Get medical attention if irritation develops and persists. | | | | |
| If swallowed | | Get medical att | If swallowed, DO NOT induce vomiting. Get medical attention if symptoms occur. Rinse mouth thoroughly with water. | | | | |
| Most important symptoms and effects, both acute and delayed | | : None known. | | | | | |
| Protection of first-aiders | | and use the red | nders should pay attention to self-protection, commended personal protective equipment itial for exposure exists (see section 8). | | | | |
| Not | es to physician | : Treat symptom | atically and supportively. | | | | |

SECTION 5. FIRE-FIGHTING MEASURES

| Suitable extinguishing media | : | Water spray Alcohol-resistant foam Carbon dioxide (CO2) Dry chemical |
|--|---|---|
| Unsuitable extinguishing media | : | None known. |
| Specific hazards during fire fighting | : | Exposure to combustion products may be a hazard to health. |
| Hazardous combustion prod- ucts | : | Carbon oxides Metal oxides Sulfur oxides |
| Specific extinguishing meth- ods | : | Use extinguishing measures that are appropriate to local cir- cumstances and the surrounding environment. Use water spray to cool unopened containers. Remove undamaged containers from fire area if it is safe to do so. Evacuate area. |
| Special protective equipment for fire-fighters | : | In the event of fire, wear self-contained breathing apparatus. Use personal protective equipment. |

SECTION 6. ACCIDENTAL RELEASE MEASURES

| Personal precautions, protec- tive equipment and emer- gency procedures | : | Use personal protective equipment. Follow safe handling advice (see section 7) and personal protective equipment recommendations (see section 8). |
|---|---|---|
| Environmental precautions | : | Avoid release to the environment. Prevent further leakage or spillage if safe to do so. Prevent spreading over a wide area (e.g., by containment or oil barriers). Retain and dispose of contaminated wash water. Local authorities should be advised if significant spillages cannot be contained. |

The information provided in this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information is designed only as a guidance for safe handling, use, processing, storage, transportation, disposal and release and shall not be considered a warranty or quality specification of any type. The information provided relates only to the specific material identified at the top of this SDS and may not be valid when the SDS material is used in combination with any other materials or in any process, unless specified in the text. Material users should review the information and recommendations in the specific context of their intended manner of handling, use, processing and storage, including an assessment of the appropriateness of the SDS material in the user's end product, if applicable.
